

Field Trip Questions: State Emergency Management Agency
(What this class needs to understand)

Please review the following questions and use them as a guideline for your presentation. Focused responses will aid in accomplishing the learning objectives of this course. Please remember that all students have been required to prepare questions for you, so 15-20 minutes should be allowed for this.

1. What is the mission of the state emergency management agency?
2. What is the organizational structure of the state emergency management agency?
3. What types of interagency relationships are most important, including: 1) elected officials; 2) local emergency management agency; 3) the Federal Emergency Management Agency; 4) Homeland Security Departments; and 5) local Red Cross Chapter and other voluntary disaster relevant organizations?
